Our award winning 'Toast the Sun' experience begins at first light at the iconic Cape Byron Lighthouse, where on arrival our expert baristas whip up your favourite hot beverage to sip on as you watch the rays of Australia's first mainland sunrise and annual whale migration. Following sunrise, we invite our guests to enjoy a local produce inspired, three-course breakfast experience on the Cape Cafe deck, expertly styled by our team. We also welcome group bookings for birthdays and special occasions, as well as corporate events. Past clients have used the experience to spoil their staff on a corporate getaway, product launches and famils. Please get in touch for further information.
